

# Changing your picture in myDBCLife

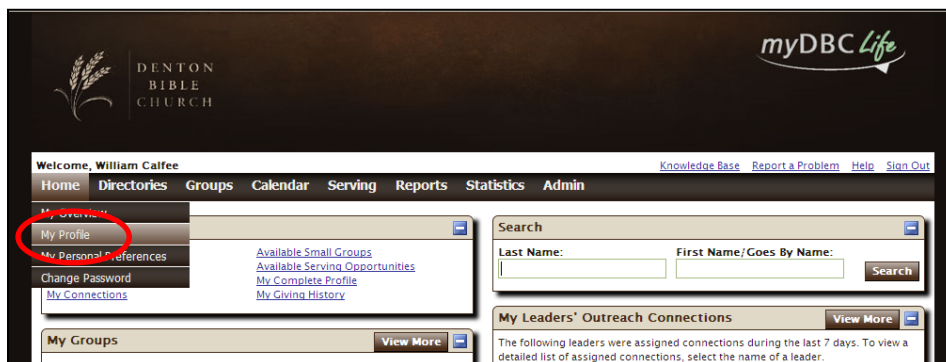

Go to [www.DentonBible.org](http://www.DentonBible.org) and select login under myDBCLife

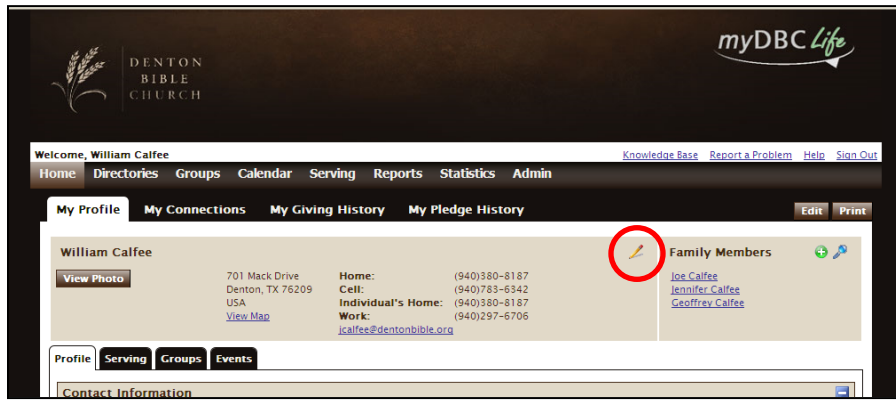

Enter your user name and password

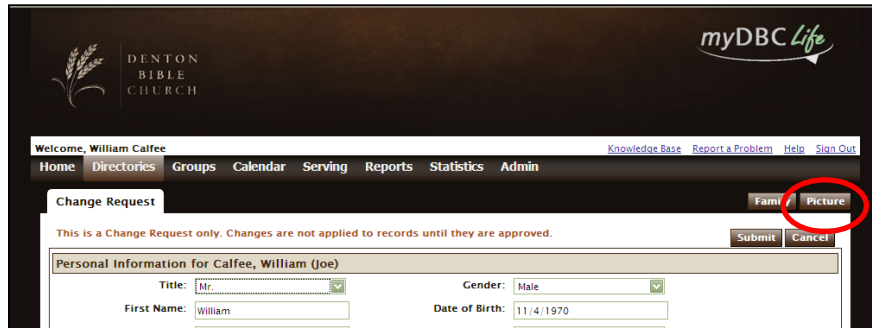

On the Home Tab, select "My Profile" from the drop down list

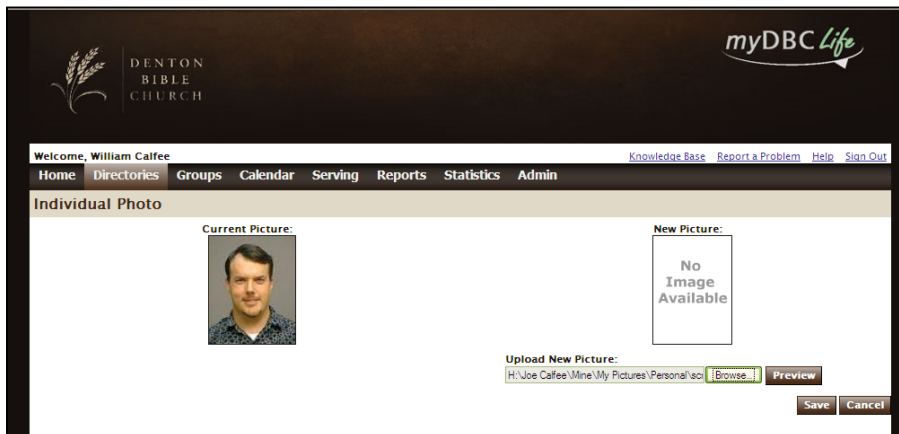

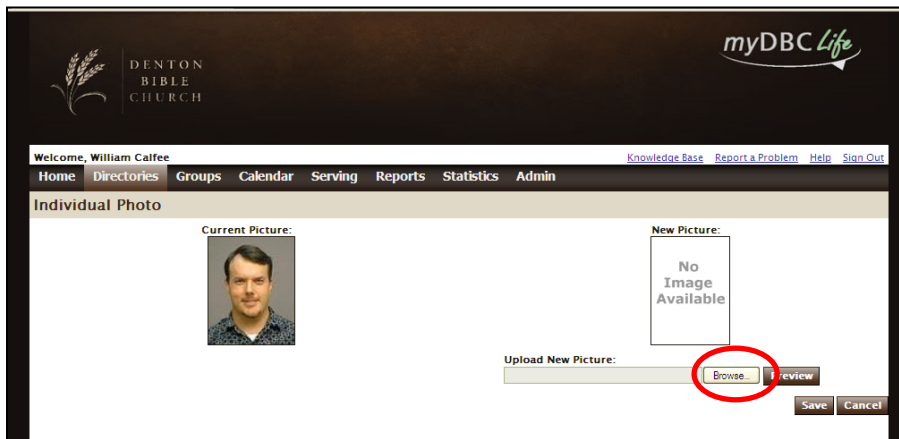

On the My Profile Screen, click on the pencil in the corner of your name box

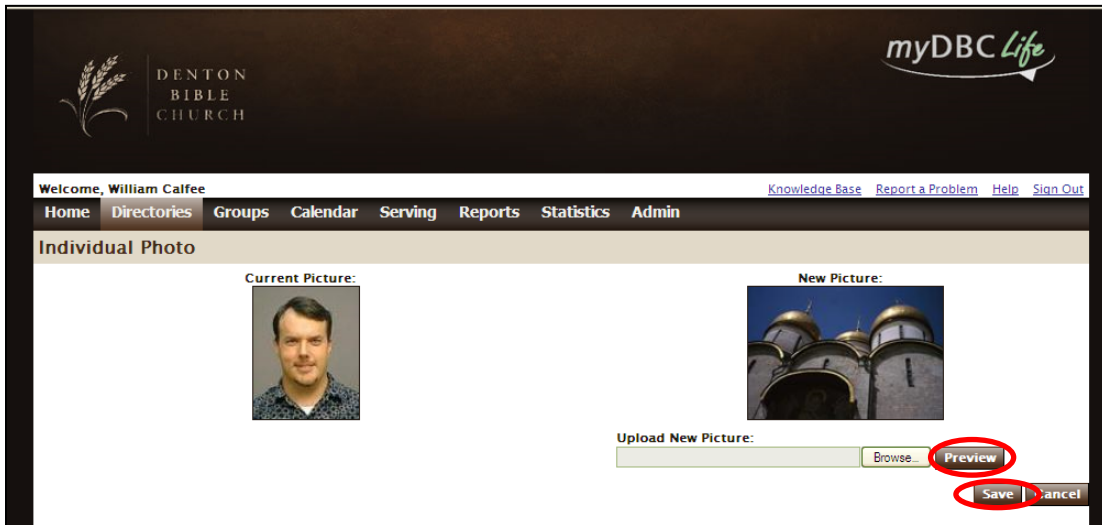

Click on the picture button

Click on the Browse button and find the picture file on your computer that you want to use.

Press the Preview button to make sure it is the correct picture. Once you have the correct picture, press Save
